

TRUSTICO® REFUND REQUEST

Within thirty days of order customer may request a cancellation and full refund of a customer qualifying SSL Certificate product for any reason.

Refunds are intended for new customers as our refund guarantee allows the opportunity to test and install an SSL Certificate risk free.

ORDER PARTICULARS

All refund requests must be received within thirty days of order and must be easily identifiable by containing relevant order particulars, such as the order number and domain name.

Order Number : _____

Domain Name : _____

Total Amount Paid : _____

Reason For Refund : _____

Any product subject to a refund request must not be in use, must be uninstalled and / or must be deleted. Trustico® may refuse to cancel and/or refund an order that is in use, not uninstalled and / or not deleted.

Refunds are not available for fulfilled extended validation orders; or orders that have been discounted or replaced free of charge with the same or a substituted product.

Refund requests that are received after thirty days of order will not be eligible for refund.

AGREEMENT

I request and authorize Trustico® to cancel my order as per the order particulars above and agree to all statements contained within this document shall Trustico® approve this request.
